## Buy Ponaxen-15 (Ponatinib)

Ponaxen-15, manufactured in Bangladesh, is intended for the treatment of myeloblastic and lymphoblastic leukemia. Ponatinib 15 mg tablets are prescribed for adult patients when one or more previous chemotherapy treatments have not worked. The drug is manufactured by the pharmaceutical company Everest Pharmaceuticals Ltd. and is available for purchase from an online pharmacy. Before you buy Ponaxen-15, consult your doctor or oncologist.

### Ponaxen-15 price

The pharmaceutical company Everest Pharmaceuticals Ltd, whose production facilities are located in Bangladesh, received a license from WHO

to manufacture the drug, the original of which is Iclusig. The original was researched and tested in a clinical setting, which allows the Bangladeshi pharmaceutical company to spend less money on it, because Ponaxen-15 is completely identical to Iclusig. Thus, the cost of Ponaxen-15 allows the majority of those in need to use it. The price of tablets in the Pharmacy is also determined by direct deliveries from the warehouses of Pharmaceuticals Ltd.

## Reviews about Ponaksen-15

The clinical picture of the results of the use of the drug "Iclusig" showed that the active agent of the drug - ponatinib, systemically affects cancer cells, stopping their replication. Ponaxen-15 inhibits tumor growth by destroying the system of proliferation of malignant cells. The drug Ponaxen-15 is created according to an updated formula that has reduced the number of side effects.

## Description of tablets Ponaxen-15 (Ponatinib)

The original package contains 30 Ponaxen-15 tablets, each of which contains 15 mg of Ponatinib, which destroys the tumor. The drug is metabolized by the kidneys and intestines.
